

RECRUITING STUDENTS IN A POST-SECONDARY CAREER & TECHNICAL EDUCATION (VOCATIONAL) PROGRAM

We are looking for:

- Students enrolled in a post-secondary Career and Technical Education (CTE) program at a county college, VoTech school, or trade school based in New Jersey.
- Students have at least two thirds of CTE program left to complete at the time of entering this study.
- Students must also identify as having a mental health condition, such as depression, anxiety disorder, bipolar disorder, etc.

The students who meet these requirements will be paired with a counselor who will support them up to 18 months as they make their way through their CTE program.

There is also a \$125 payment for participating in the study.

If you or anyone you know qualifies for this study, please call or text 551-226-9643.
